The menu for this week will be grilled beef tenderloin. We ask that the shooters bring appetizers, side dishes, and desserts. We will need salad, beans, potato salad and desserts. We will try to eat between 6:00 and 6:30 P.M. Let me know what you will bring and I will share it with the group.

This week's game will be one round of Trap and one round of Argentine Clays. Come enjoy the fun and bring a shooting friend. Please check in at the store upon your arrival to get your scorecard and pay for the event. If anyone has a venue preference or a game that they like, let us know. We try to accommodate everyone.

Please reply to this email or give us a call by Wednesday 6:00 PM if you are coming and tell us what food item(s) you will bring. Soft drinks are usually available for purchase, but you need to bring your own adult beverages for after shooting. Come early if you can, but if you can't be there at 5:00 PM, come when you can. There is usually someone to shoot with and everyone has a great time.

Old Hudson Plantation offers skeet, five stand, trap and sporting clays. They are also your Beretta and Browning dealer, so see them for your shotgun needs. Contact Nancy or Neal Bush at 706-467-9345 for membership information. For more information about the Eat and Shoot, contact me and I will be glad to assist you.

We look forward to seeing you on Thursdays. Bring a shooting friend.
